

Please let us know your child's/your interest in being part of the YAM program. Fill out the form below and return it to your child's homeroom teacher or office staff by Friday, 9/8. We'll also be having a parent meeting where you can find out more about the YAMs, meet the instructor (possibly), pay any fees, and possibly get your instrument. That day will be announced soon and we hope you and your child can attend. We're really looking forward to starting in October and hope to hear from you soon.

Betty McDaniel, YAM Executive Director
